Financial Aid for 2020-2021 School Year

Saint Mary of the Annunciation School expects to have a limited amount of funding to help families with financial need for the 2020-2021 school year. Financial aid funding comes from one of three sources: Saint Mary's School, the Foundation Trust, and the Catholic Schools Foundation. Anyone who is seeking financial assistance must complete the FACTS financial aid application process.

- The application must be completed online at www.factstuitionaid.com. If you require computer assistance, do not have access to the online application, or have any other questions, please contact Ms. Deborah Mobilia in the office at 781-665-5037.
- Applications must be completed online by Friday, March 27, 2020.
Tax documentation must also be submitted by Friday, March 27, 2020.
- The FACTS financial aid application must be completed online in its entirety **and** your 2018 (or 2019, if available) completed tax returns and W-2 must be faxed or mailed to FACTS for you to be eligible.
- There is a \$35.00 application fee.

The deadline for completed financial aid applications is Friday, March 27, 2020.

Financial aid applications will be reviewed in April/May. We will inform families of any financial aid award amounts as soon as possible, but no later than May 31, 2020. If your family is awarded financial aid and you have already enrolled in the FACTS tuition management program, your monthly payments will be adjusted to reflect the financial aid tuition reduction.
