

The new Box Top\$ program is here!!!!

As of June, Box Top\$ has updated their “clip” program to a “scan” program! Please review the attached flyer and be sure to download the APP onto your Smart Phone!!!

To search for Saint Mary’s the fastest way is to use the zip code: 02176

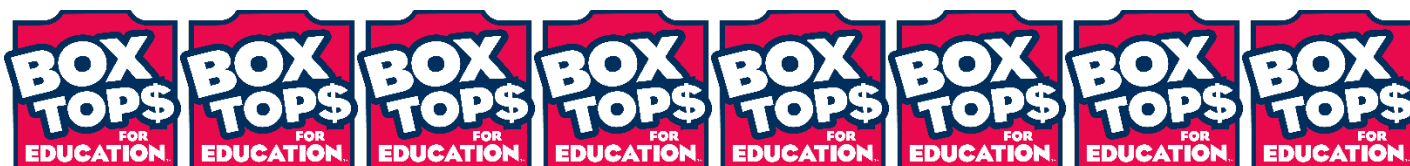

Once the app is loaded all you have to do is click the *scan* button and hold your phone up to your receipt and any eligible items will automatically be selected and loaded onto your account! That is, it! No entering of dates, store location, items, etc...! Just simply click and scan!!!

With the new program in place, and no way to track monthly classroom activity, a School-Wide Contest will be implemented!!!

The school year goal has been set for \$800.00 dollars!!!

If we are able to reach this goal by May 30th the entire school will get a day out of uniform in June!!!

There are still plenty of Box Top\$ traditional clipping on items and YES, these can still be turned in! Any Box Top\$ that have not expired can still be turned in for school credit towards the \$800 goal!

Please send these traditional clips in with your child anytime throughout the year! Box tops are mailed into the company Nov 1st and April 1st!

Any questions, contact Jonna Willis: Jonna9290@comcast.net
